PROPOSED AGENDA FOR EXAMINER INTERVIEW

Dear Sir:

Applicants respectfully request that a telephone interview be scheduled in this application. The purpose of the interview is for Applicant to propose amendments and clarify rejections made in the Final Office Action dated November 27, 2007. Specifically, Applicant wishes to discuss the following points to better understand how to move the application forward.

- The interpretation of the Michaelis reference and/or the claims under which a "plurality of sources" as claimed appears to be equated to "multiple rules."
- The interpretation of the claims and/or references under which a "group policy service" as claimed (such as in claim 41) or a "provisioning service" as claimed (such as in claims 42 and 44) is disclosed in the references in the manner claimed.

- Whether incorporation of limitations from dependent claims into the independent claim could lead to allowance.

Attached is a revised claim set, proposing that independent claim 15 be amended to incorporate the limitations of the dependent claim 43, further distinguishing the claims.

In scheduling the interview, please contact Zachary Thomas of my office at 617-646-8278.
